Save Christian Radio

I wanted to send in my commit towards the changes you are purposing to make with Christian Radio. First I am a supporter of K-Love Radio it has made such a big impact on my life I can not even begin to tell you how much I look forward to listing to it in my office or my car. This is the only station that I have on and I don't have to wonder if the next song on the radio will offend any one. I think you should leave well enough alone and use the tax payers money to help fix the Mortgage problem and take a look and the legalized stealing from the big Oil companies.

Best Regards,

Jay Byrd
